CQG QTrader FREE for a whole year with Berkeley Futures

Dear Trader

Berkeley Futures is delighted to offer Futures and Options traders who open a new account with us before the end of June 2013 CQG QTrader free for the first year instead of the usual £45 a month saving a total of £540 for the first year.*

QTrader is a brand new product from CQG bridging the gap between CQG Trader and Integrated Client.

Features of QTrader include:

- Direct Market Access to the world's leading Futures and Options Exchanges
- State of the art charting and analytics
- DOMTrader - Professional order entry application
- Order desk - A comprehensive desk-trader tool that attaches to any application such as a quote board or a chart
- SnapTrader - Innovative Interface designed to provide one-click trading functionality
- Spreadsheet Trader - Customizable spreadsheet based trading application
- Multiple Order Types including Trailing stops & limits, OCO's, Icebergs, Brackets and Study following orders

To request a no obligation free demo click below:
